Instructions for Public Comment/Questions during videoconference meeting

Members of the public will have two options for addressing the Forum during the virtual meeting:

1. By submitting written questions by email to the Forum facilitator in advance of the meeting, and
2. Verbal comments will be accepted on all agenda items at appropriate times during the meeting via Zoom [Note: The Zoom “chat” function will not be available during the meeting]. Please follow the directions for verbal comments.

Verbal Comments (please read the following instructions carefully)

1. The Zoom client will ask you to enter both an email address and a name. It is requested that you identify yourself by name as this will be visible online and will be used to notify you when it is time for you to speak.
2. When the facilitator calls for the agenda item on which you wish to speak, click on the “raise hand” icon (typically at the bottom of your screen). After the Forum has discussed the agenda item, the public will be called upon to speak.
3. When called, please limit your remarks to the two-minute time limit or less. You may speak once on the agenda item.

Written Comments (please follow the following directions carefully)

1. Email your written questions or comments to glomike65@aol.com before 5:00 p.m., Weds., 10/21.
2. Your email should include the specific agenda item on which you wish to comment.
3. Members of the public are limited to one comment per agenda item.
4. The length of the emailed comment should be commensurate with the two minutes allowed for public comment--typically 250-300 words.
5. If your email comment/question is received before 5:00 p.m. on Tues., October 19, it will be forwarded to the Forum members. The facilitator will make every effort to read all emails received up to and until 6:00 p.m. on Wednesday, October 21, but cannot guarantee such emails will be read during the meeting. All emails will be forwarded to Forum members for inclusion in the administrative record.
