To create an account, follow these instructions after you are directed to the Create Account webpage.

A screenshot of the Port of Oakland website's login page. At the top, there is a banner for "PORT OF OAKLAND 90 YEARS OF PUBLIC SERVICE" with the dates "FEBRUARY 16, 1927-FEBRUARY 12, 2017". Below the banner is a navigation bar with a "Home & Overview" link and "Sign In" and "Sign Up" buttons. The main content area features a white box titled "Sign in to your account". Inside this box are two input fields: "Username" and "Password", each with a small icon to its left. Below the fields is a blue "Sign In" button. At the bottom of the box, there are two links: "Forgot Username or Forgot Password" and "Don't have an account? Sign Up".

click [Sign Up](#) which is located below the “Sign In” button. Complete the sign in process by providing your full name, creating a username, creating a password, selecting a security question and the associated answer.

Next, you are directed to select your notification method. We recommend an email address and cellphone number.

*Note: If you would like to receive text messages and a phone call, you will need to enter your cell phone in both notification fields.*

Click the checkbox to accept the terms then click “Create Account”.
