

OAK Noise Abatement + Environmental Affairs Division  
Pilot Outreach + Communications Strategy

# About Freshtracks Communications

- 20 year CA based firm focused on providing community outreach + communications services to a range of non-profit and government agencies
- Worked with Tahoe-Truckee Airport District for past 5 years, developing range of communications materials for the noise department
- Bring range of services to OAK noise department: outreach to pilots, FBO's, community (one-on-one, surveys, etc.), website, logo, facilitation, communications materials

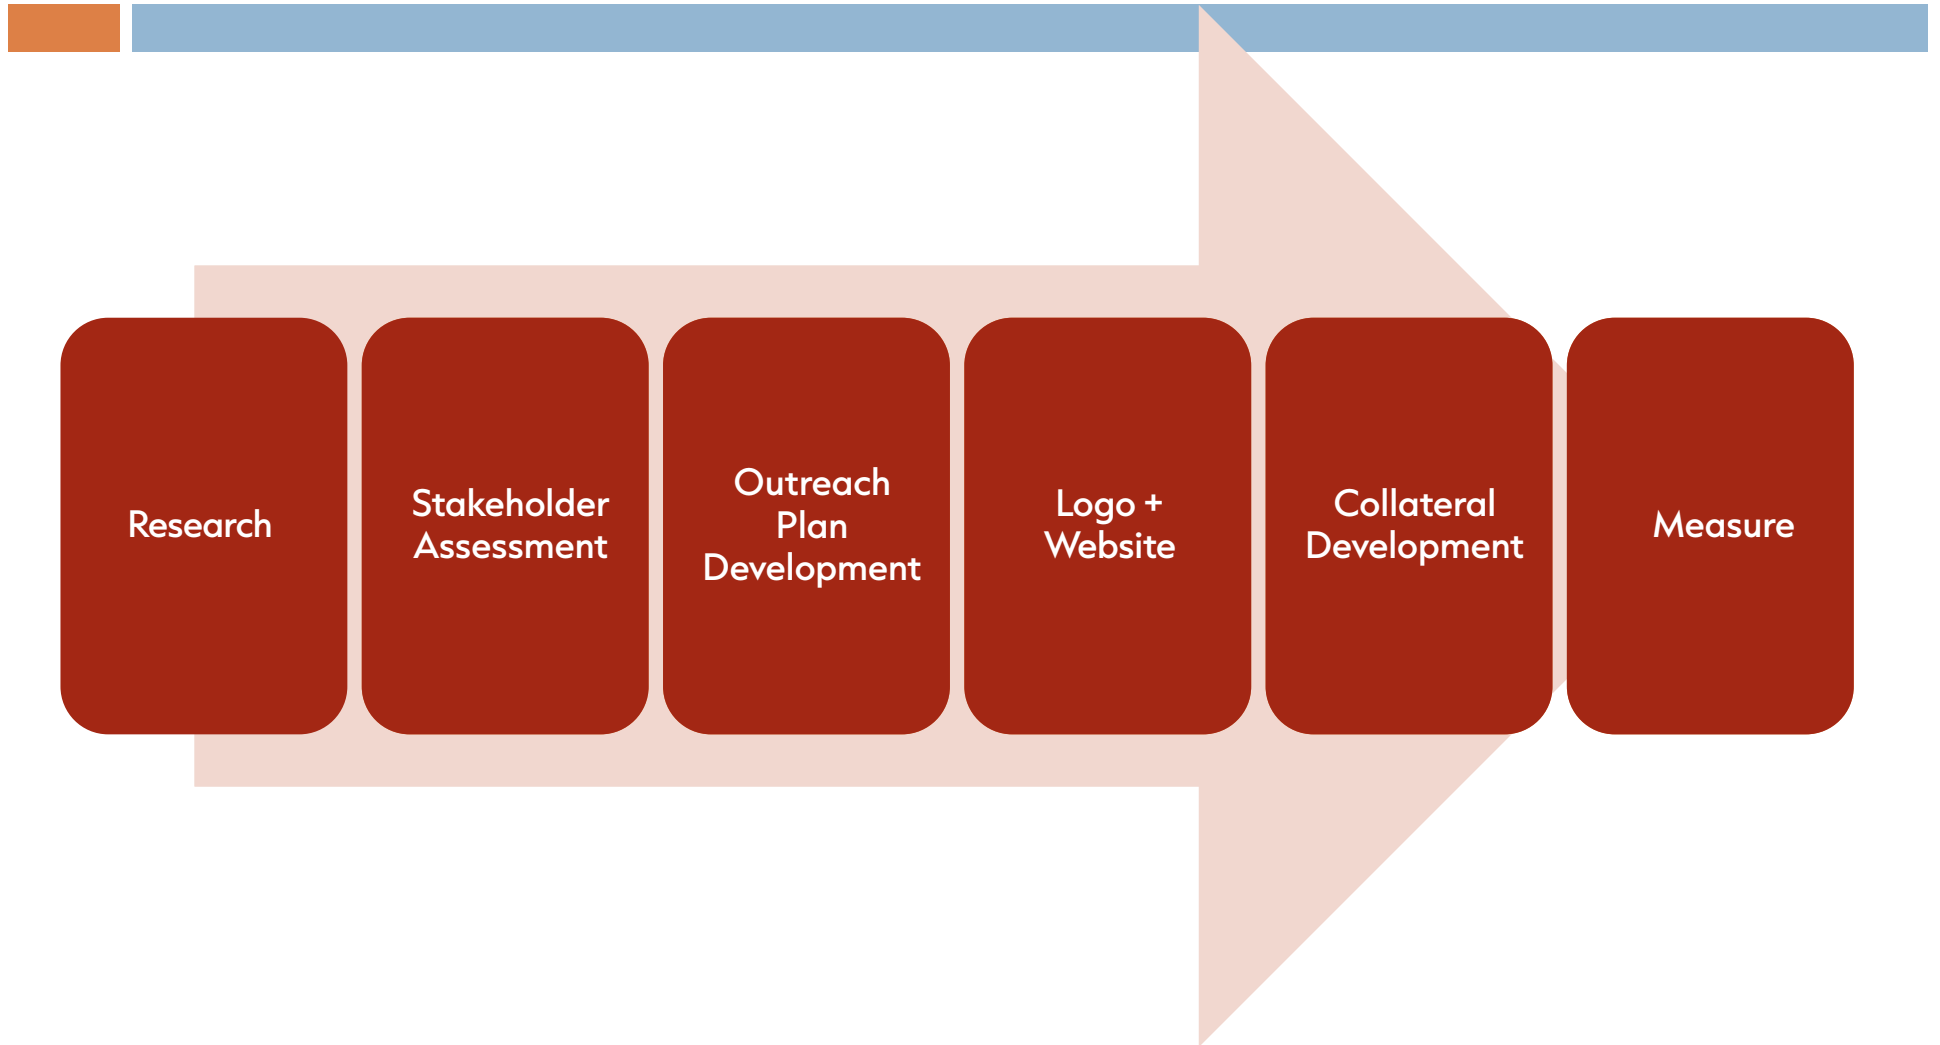

# Outreach Goals

- Increase the based and transient corporate pilots' compliance with noise abatement procedures (currently 95% compliance)
- Build understanding of OAK noise compliance program including benefits to the Airport and the surrounding communities
- What else?

# Our Approach

# Research: March-April

- Other Noise  
Departments around  
the County
- Summary of findings  
will be shared with  
staff

# Stakeholder Assessment: Mar-April

- Forum Members (done)
- Community Groups (CLASS, Save our Skies East Bay)
- Non-compliant operators (in-progress)
- FBO's (done)
- Pilot On-line Survey (focus: how do you get information, best way to reach you)

# Develop Outreach + Communications Plan: May

- Based on feedback, segment communications and outreach to best reach various audiences
- For example:
  - Pilots: Website, Pilot Lounge materials, other TBD
  - Community: Website, press, partner networks
  - FBO's: Quarterly newsletter as bill stuffer

# Logo + Website Development: June

- ❑ Creates platform for distribution of information and intake of feedback
- ❑ Provides friendly, welcoming portal for range of audiences
- ❑ Noise abatement procedures for pilots – encouraging fly quiet routes
- ❑ Enables tracking of visits to site and pages

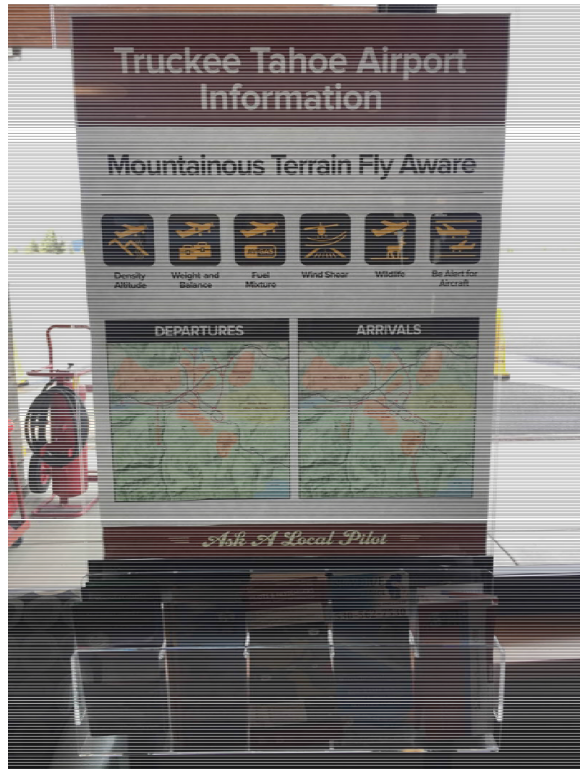

# Materials: TBD

- Menu of options
  - Pilot News – Quarterly
  - Thank You Campaign highlighting high compliance – target corporate pilots, use on website, other materials
  - Posters/rack cards in pilot lounges
  - Video

# Examples of Current Work

# Measure

- Provide metrics to staff on website traffic, by page, by geography and other
